BALEARIC CRUISE

Into the blue...

IBIZA | FORMENTERA

Experience the Balearics from their most beautiful and perhaps most sporty side – far away from huge hotels, mass tourism and activities suggested in the usual travel guides! Set sail on board a yacht with Watersports Training's professional skippers (each has at least 5,000 miles of sailing experience). With a SUP board, you can paddle through far-off gorges and caves not accessible by land. Enjoy the sunset high above the cliffs over the sea. The numerous activities from sailing to stand-up paddling, climbing and rock diving, hiking, yoga, group fitness training sessions to personal fitness coaching allow you to leave everyday life behind. Sight-seeing and shopping ashore enhance the offer. You stay overnight on the yacht in double cabins (individual cabins can be booked for a supplement on request).

The Watersports Training team, made up of professional skippers, personal fitness and yoga trainers are looking forward to an exceptional week of experiences with you.

Price for DKV clients: **€1,299**/per person (normally €1,449) with breakfast

The costs for your own inward and outward journey to and from Ibiza, evening meals in restaurants or on the yacht (cooking as part of the group) are not included in the price.

Travel dates*: 3 to 10 June 2017 | 2 to 9 September 2017

*Our tour guides speak DE/EN. Where required, we will organise a FR-speaking tour guide too.
